TENNESSEE CODE ANNOTATED TITLE 55 CHAPTER 17

55-17-127. Emission testing and vehicle inspection prior to consummation of sale of pre-owned vehicles.

If a person who seeks to purchase a pre-owned motor vehicle from a dealer under a title retention agreement or a conditional sales contract, in a city that requires emission testing and a vehicle inspection and the vehicle is to be registered by the purchaser in the county where that city is located and the vehicle has not been pre-tested or inspected within ninety (90) days prior to the sale, then the purchaser may require the vehicle to be inspected and pass inspections prior to the consummation of the sale of the motor vehicle. If the motor vehicle fails the emissions test or the vehicle inspection, the purchaser may waive in writing the provisions of this section. In addition, the provisions of this section may be waived by written agreement of the purchaser and seller of the motor vehicle prior to inspection.
